

Accusonus radically re-imagines audio clean-up and sound design workflows - Introducing ERA 5 plugin bundles & SFX Cellar sound library

- *New and improved Accusonus ERA 5 Bundles significantly speed up and simplify audio post workflows, regardless one's level of expertise.*
- *New SFX Cellar library offers unlimited royalty-free sound effects at an unbeatable price.*

Massachusetts, USA (September 29, 2020) - [Accusonus](#) announces ERA 5, the fastest audio clean-up solution for video and audio creators. In its biggest update yet, version 5 adds several new plugins to enhance and repair low-quality audio, and makes improvements to every single one of your favorite ERA plugins.

Accusonus' audio clean-up solutions appeal to both professional editors and creators that are just starting out. The smart design of the ERA 5 tools greatly reduces time-consuming audio repair workflows to a simple twist of a dial. Whether you work with video, film, podcasts, voice overs, broadcast, streaming or music production, the ERA 5 plugins will help you sound great with minimal effort and in record time.

ERA 5 Bundles are being announced in parallel with SFX Cellar, Accusonus' brand new library of carefully-curated, royalty-free sound effects. At a highly competitive monthly or yearly price, you can get access to tens of thousands of downloadable sound effects, ready for commercial use.

Accusonus ERA 5 Bundles: what's included

ERA 5 Bundle Standard

The new ERA 5 Bundle now features 9 life-saving plugins:

- [NEW] Voice AutoEQ
- [NEW] Voice Deepener
- [NEW] Audio Cleanup Assistant
- [IMPROVED] Noise Remover
- [IMPROVED] Reverb Remover
- [IMPROVED] Voice Leveler

- [IMPROVED] De-Clipper
- [IMPROVED] De-Esser
- [IMPROVED] Plosive Remover

ERA 5 Bundle Standard adds 3 new plugins:

- **ERA Voice AutoEQ** is a ground breaking tool that automates the audio equalization process. It helps you instantly fix muddy recordings and make your voice track stand out in the mix
- **ERA Voice Deepener** is a plugin designed to add warmth and depth to voice recordings. It helps you make your voice sound less like it was recorded, and more like how it sounds when you hear yourself talking.
- **ERA Audio Clean-Up Assistant** makes your audio workflow even faster and smarter by hosting and adding preset chains of the ERA single-dial plugins

In addition, all existing ERA plugins have been improved and the new engines can now handle even more complex audio repair cases.

[ERA 5 Bundle Pro](#)

ERA 5 Pro Bundle includes all of the plugins from the Standard Bundle, and adds 4 advanced plugins for multi-band processing. Therefore, the new ERA 5 Bundle Pro now features 13 audio tools in total:

- Everything included in ERA Bundle Standard
- [NEW] Noise Remover PRO
- [NEW] Reverb Remover PRO
- [NEW] Room Tone Match
- [IMPROVED] De-Esser PRO

The new **Noise Remover Pro** and **Reverb Remover Pro** offer refined spectral controls that allow you to dig deeper into your sound and get tailored processing on key frequency ranges. Running as an **AudioSuite** plugin in **Pro Tools**, the brand new **Room Tone Match** identifies the background ambience under speech and helps you seamlessly “stitch” and even out different ambience beds. The plugins of the Pro Bundle offer ultimate spectral control without sacrificing speed and efficiency, making ERA 5 the fastest audio post production solution for professionals.

[SFX Cellar](#)

SFX Cellar is the most affordable content platform for high-quality royalty-free sound effects. Background ambiences, nature and weather sounds, transitions, impacts, whooshes, UI effects, thuds, cinematic soundscapes and more, will make your audio and video content stand out. SFX Cellar features tens of thousands of carefully-curated sound effects. Accusonus is committed to add fresh sounds every month to ensure that you will always be up to date with the current

trends. Accusonus will also offer continuous updates to the web platform to ensure fast and intelligent sound discovery. SFX Cellar comes in 2 flavours: SFX Cellar mp3 (unlimited, royalty-free sound effects in mp3 format) and SFX Cellar Premium (unlimited, royalty-free sound effects in wav format with metadata).
